

Bike Exchange Needs Your Used Bikes - Now!

The Boys & Girls Club Bike Exchange already has sold more than 400 used bicycles to area residents this season and now has an **immediate** need for donated bikes.

Please consider donating your used bicycle to the Boys & Girls Club. All types of bicycles – children's, road, and mountain bikes – are accepted. Your gift may be eligible for a tax deduction and will be receipted. **Drop-off locations listed below.**

Another great way to help the Boys & Girls Club is to **sponsor a bike drive** at your place of work, worship, school, or community center. It costs nothing to run a bike drive and is easy to do! Just set a date and location for the drive, and then publicize it through your organization. Bike Exchange volunteers will pick up the bikes from your location and take them to the bike shop. **For more information, visit www.BikeExchangeNJ.org or call (609) 571-9476.**

Thanks to the contributions of our all-volunteer bike exchange, our donors, and our customers, 50 additional youths got to belong to the Boys & Girls Club this year. Your efforts are making a big difference in the Club's ability to serve more kids.
